Principal's Report

Successful Students

Wellbeing Programs

Our students have been participating in the Bounce Back Program and have been enjoying extra-curricular activities including craft club, knitting group and basketball. We have been very fortunate to have Mrs Kwan and Mrs Woolcott develop these initiatives in our school.

Kindness Project

Our student kindness team are requesting donations of canned foods e.g. baked beans, tinned tomatoes, tuna etc to support people in need. If you are able to support the students with this project, please send your donations to the office.

Playground Success

Congratulations to our students who consistently get Kylie the Kookaburra Playground Tokens for display respectful, responsible and learner expectations in the playground. Names of students are withdrawn from the playground box fortnightly and get to engage in a fun activity.

Spelling Bee

Congratulations to Nate, Joel, Tiffanie and Nathan who represented to school in the Regional Spelling Bee at Ryde East PS yesterday.

Principal's Book Award

Congratulations to these students who will be receiving a book award at assembly this week.

Effective Practices

Visible Learning

The Learner Quality of the week is: I Can Persevere. To persevere, students need to use their resilience and believe in themselves when they find something challenging. Students need to know that there are different ways to achieve goals and identify the right tools to help them persevere.

Quality Teaching and Learning

I felt very proud to engage with students who were able to explain learning intentions, success criteria and articulate their progress in learning areas. Our students are becoming Visible Learners who understand expectations, take ownership of their learning and seek to improve through feedback.

Connected Communities

Osmos in Action

A huge thank you to our community for raising funds for Osmos. Mrs Grover led teacher professional learning on the use of the technology and teachers across the school are integrating the literacy and numeracy tool into teaching and learning activities.

Volunteers

Thank you so much to all our parents who volunteer their time to support students and teachers. It is much appreciated. If you are interested in volunteering please let your child's class teacher know.

News from 3R

3R are enjoying Term 3 and have learnt a variety of new and interesting things. We have been writing explanation texts and can explain how a tornado is formed, how the water cycle works and how ice-cream is made.

We have been reading information reports and wrote a fabulous report on Gorillas as a class which we are very proud of. We are now researching information about Australian animals to write our own reports.

In Maths we have been revising and practising our mental strategies like the jump, split and compensation to solve addition and subtraction problems quickly.

One of the most exciting projects this term has been our history project. We have designed a feature for the new Melrose Park development and are currently creating it in our own Minecraft world!

Book Parade and Open Morning – Thursday 13th September

To celebrate Book Week for 2018, a book parade and open morning will be held this Thursday. The theme for Book Week this year is Find Your Treasure. Students are welcome to dress as a book character from a favourite book.

9:20am - Book Parade: Students will be parading around the COLA near the library.

10am - Open Classrooms: Classrooms will be open and students will share their book work with you and engage in student led reporting.

10:40am - Peer Reading: Year 6 students will read the Dreamtime stories that they have created to younger peers.

From 10:30am – Year 6 Cake Stall: Cakes will be available for purchase on the day. Tea and coffee will also be available. Parents are welcome to stay and have lunch with their child.

Term 3 Week 8

Ladies Pre-Loved Market

Despite the rain, we had a lovely turnout of ladies who came to support our pre-loved market. We had some amazing purchases, including brand new items tagged between \$70 to \$250 sold for \$5, all enjoyed with lovely nibbles and bubbles. If you've missed this, don't fret! There'll another in the near future!

Book Club LOOP

LOOP is the Scholastic Book Club Linked Online Ordering & Payment platform.

It's easy to order and pay online for your child's Book Club order using your credit card. If your school is not yet in the **LOOP**, speak with your school's Book Club Organiser.

Head to scholastic.com.au/LOOP or  or 

Follow these **easy** steps!

- 1 Simply grab your child's Book Club catalogue and either **SIGN-IN** or **REGISTER** your account.
- 2 Add your child's first name and last initial (so the school knows who the book is for), then select your **SCHOOL** and your **CHILD'S CLASS**.
Note: You can order for multiple children at once if they attend the same school.
- 3 Click on **ORDER** and enter the item number from the Book Club catalogue.
- 4 All orders are linked directly to the school for submission to Scholastic. Books will still be delivered to your child's classroom if your order by the close date.

Looking for **MORE** product information? Additional content such as videos and downloads are available for select titles. Select your issue and enter the item number to view information on titles and some great resources, such as videos and reviews.

That's it! There's no need to return paper order forms or payment receipt details to your school.
