Principal's Report

This week is School Administration and Support Staff Recognition Week. We acknowledge the incredible work that our School Administration and Support Staff do to support teachers, students, parents and school communities. I cannot thank our wonderful team enough for their initiative, knowledge of systems and genuine care of little and big people. They play such a huge role in ensuring our school is the best it can be! Beyond thank you to Mrs Cummins, Mrs Beauman, Mrs Trodden, Mrs Lewis and Mrs Lees. I would also like to thank Mrs Cuneo, Mr Davey and Mrs Kelsey for ensuring our school is a great environment to learn and play.

Successful Students

Wellbeing – Kindness Week

Our students explored the meaning of kindness last week and identified a number of ways to show kindness to others. A group of students and Mrs Lewis implemented Kindness Week and it was wonderful to see such positive messages fill our school in the playground and classrooms. Well done students. It is pleasing to see students instigating such initiatives.

In addition, the students are asking for donations of canned foods e.g. baked beans, tinned tomatoes, tuna etc to support people in need. If you are able to support the students with this project please send your donation to the office.

Effective Practices

Visible Learning

The Learner Quality of the week is: I can Problem Solve. To be a problem solver, students need to think about the types of tools that they can use to solve problems. They need to be able to think critically and creatively to determine a course of action.

VALID – Year 6 Science Assessment

Year 6 will be participating in VALID (Validation of Assessment for Learning and Individual Development) this week. VALID will assist the school to identify student achievement and will inform planning, programming and assessment practices in Science.

NAPLAN – Year 3 and 5

NAPLAN results for Year 3 and 5 are due to be released in the middle of September.
