

Class Requirements Year 1 and Year 2 2025

December 2024

Many parents like to have their child ready for school on the first day of the new year. Listed below are some basic items that will be needed to function effectively in class. Most of these items are consumables. The list below should include enough of the consumables to last the entire year. There are many opportunities with BACK TO SCHOOL specials that help keep costs to a minimum. Only these basic stationery items are required. Other items (such as fancy rubbers) will be sent home for home use as they can become distracting for students.

The requirements for Year 1 and Year 2 are:

1 small pencil case which will fit in chair bag or under desk containing:

- 2 triangular HB pencils (preferably Staedtler, Faber Castell, Crayola or another quality brand)
- 12 coloured pencils (Faber Castell, Staedtler)
- 1 LARGE Glue sticks (preferably Bostik, UHU)
- 1 small pencil sharpener with case for shavings
- Child scissors
- 2 thin whiteboard markers (not light coloured like yellow)
- An old sock or whiteboard duster (not spray)

Plus

- Child size headphones for use with the computer and iPads in a labelled zip lock bag
- Library bag
- Painting Shirt (old adult sized T-shirt with no buttons - may already be at school from last year)
- Raincoat with hood (**No umbrellas allowed**)
- 2 large boxes of tissues
- Roll on sunscreen and roll on insect repellent (personal size and named)

1 labelled clear snap lock reusable bag to be kept in their tray containing:

- 8 triangular HB pencils (preferably Staedtler, Faber Castell, Crayola or another quality brand)
- 6 LARGE Glue sticks (preferably Bostik, UHU)
- 8 thin whiteboard markers (not light coloured like yellow)

Please put your child's name on everything, including clothing, lunch boxes and school bag. Lunch boxes need to be of a size that can be easily removed from school bag and can easily be opened. Please consider a 'litter free/ nude food' lunch box.

These items are not compulsory and all students will be able to access their learning using school resources. Thank you for your assistance.
