

Final Information
Year 5/6 Camp 2022
Point Wolstoncroft Sport and Recreation Centre
Monday 30th May – Wednesday 1st June 2022

23rd May 2022

Departure: Monday 30th, May 8:30 am. **Arrive at school by 8.15 am for 8:30 am departure.**

Return: Wednesday 1st June, arriving at school at approximately 2.45pm.

Medication: **If your child requires medication during camp, please complete and return the attached note on the morning of camp with the medication.** Medication and the note to be handed to Mrs Malone in a 'zip lock' bag, clearly marked with student name and outlining the administering details.

Further Information

- Please discuss appropriate behaviour with your child and the positive expectations that they need to uphold when representing Melrose Park Public School in the community.
- The students will be supervised on the excursion by Mrs Malone, Mr Brennen and Miss Whitehouse.
- All items of clothing and other belongings need to be labelled with your child's name.
- Students **should not bring** electronic devices or games, mobile phones, lollies, etc. If brought to camp, students will be asked to hand them in to the teachers for the duration of camp. *Students who normally use their phone as a camera should make other arrangements for camp.*
- Students should bring all the items listed on the checklist overleaf using a small pack back and carry-on luggage sized bag. Sleeping bags and sleeping gear can be packed separately. The small backpack will be taken on the bus and the remaining items placed in the baggage compartment.
- Students who experience travel sickness should take precautions prior to boarding the bus to and from camp.

COVID Safe Plan - A combination of the current Department of Education and Sport and Recreation procedures:

- If students are exposed to covid at camp, there is a higher likelihood of them catching covid than if they were at school.
- Note that currently no staff or student who is a current close contact may attend camp.
- To reduce the likelihood of anyone testing positive at camp, **it is highly recommended that students complete a RAHT test prior to coming to camp.** Tests will be issued for this purpose.
- It is highly recommended that students wear masks on the bus to and from camp.
- If a student is showing Covid-like symptoms at camp, they will be given a RAHT test. Should a student be positive, they will need to be collected from camp. Higher risk contacts (slept in the same room) may also need to be collected from camp.

Let's all do our part to minimise the possibility of covid and ensure the students have a great time at camp.

Mrs Malone and Mr Brennen (Teachers)

Miss Mee (Assistant Principal)
