

Class Requirements Year 5 and Year 6 2024

December 2023

Many parents like to have their child ready for school on the first day of the new year. Listed below are some basic items that will be needed to function effectively in class. Most of these items are consumables. The list below should include enough of the consumables to last the entire year. There are many opportunities with BACK TO SCHOOL specials that help keep costs to a minimum. Only these basic stationery items are required. Other items (such as fancy rubbers) will be sent home for home use as they can become distracting for students.

The requirements for Year 5 and Year 6 are:

1 small pencil case which will be kept on the desk containing:

- 2 black or dark blue ball point pens (fine)
- 2 green ball point pens
- 2 red ball point pens
- 5 HB pencils
- 1 plain white rubber (e.g. Staedtler or Faber Castell)
