

Name:	Class in 2020:
1 Nume:	Cluss III 2020

Over summer holidays, children's reading can slip back. Known as the 'summer slide', this may have an impact on their reading during the first few weeks back at school. To help promote reading over the holidays please continue to encourage your child's/ children's reading and keep reading with them. One of the greatest inspirations for young readers is to see their parents/ caregivers reading.

In celebration of this, send in photos of your child/ children reading at home and at all the wonderful places you visit during the holidays.

Send your photos to melrosepk-p.school@det.nsw.edu.au We will not respond to your emails during the school holidays but will acknowledge your contribution by displaying your photos in our library during Term 1.

Students who successfully complete the reading log will be recognised for their efforts.

A note to students:

- Try to read for at least 20 minutes every day.
- Write down what you read and get an adult to sign off your reading entry each day.
- Remember, being read to and listening to audiobooks count.
- Return your reading log to Mrs Piper by Week 2 Friday 5th February.
- Successful students will be recognised in Week 3.
- All students who complete the challenge will have the opportunity to win a prize.

Date	A list of books and pages I have read	Adult's signature
